Learnovation 2024: Navigating the Future of Learning

Learnovation, showcases organisations transforming learning experiences in a rapidly changing environment. National and international experts demonstrate the latest research, learning technology strategies, tools and solutions.

Position your brand amongst learning professionals from Schools, Third Level and Corporate with a range of sponsorship options suited to all entry levels.

“Amazing learning and networking experience and wonderful organisation.”

“This was a first for me as I was invited by one of the sponsors and found the day to be an excellent event from content right through to the separate areas to eat where connections could be made.”

“Aviva was a great spot and the vendors there were very engaging. All talks carried tremendous weight. Great day.”
